Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Sir:

Pursuant to 37 C.F.R. § 1.136, Applicant hereby petitions for an extension of time of two month(s), extending the time for responding to the Office Action of November 4, 2003 to May 4, 2004.

Although a Response was filed by the Applicant on February 4, 2004, an Advisory Action did not issue until April 20, 2004 due to USPTO delay. Presumably as a gesture to acknowledge this delay, in the Advisory Action, the Examiner adjusts the period of delay to 4 months from the mail of the Final Office Action. Accordingly, only a two month extension is required.

A check for the statutory fee of \$420.00 is attached. The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to
